We recognize the unique needs of each organization. Our Tiered services help establish an organization's baseline and closely partner to develop a roadmap for success. Program activities within each Tier are customized to fit each organization type and budget. Contact us for an initial consultation and assessment.

## TIER 1

### STRATEGIC PARTNERSHIP

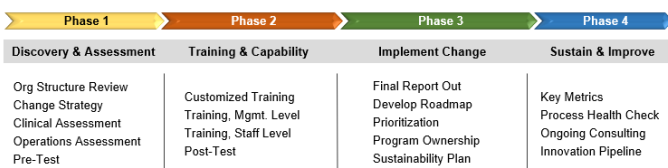

We view Partnerships as long-term, collaborative & strategic relationships. Expect to learn, grow and succeed together. **SHARED** Community Engagements. **UNIFIED** Marketing. **INTEGRATED** Resources.

## TIER 2

### TRANSFORMATION

**Includes** same services in Tier 1 without Partnership benefits

## TIER 3

### FOCUSED PROGRAM

Customized program development and a defined scope-of-work

**Example 1:** "My agency needs to improve cultural competency within our clinical intake process."

**Example 2:** "My agency needs a marketing and customer acquisition strategy to increase diversity."

## TIER 4
